SUMMER MATHWIZ LEAGUE

WHAT DO YOU GET? WHAT WILL THE LEAGUE BE LIKE?

- 15 challenging problems are released each Monday. Participants complete the problems independently and submit their answers by the deadline (Sunday at noon).
- Solutions are posted on Sunday evenings, and submissions are scored.
- A "hint video" featuring Mr. T and/or a special guest is released each Wednesday, to aid participants as they complete the week's most challenging problems.
- A solutions video featuring Mr. T and/or a special guest is released each Sunday evening, showcasing solutions to some of the trickiest problems. Each week's video will include at least one good math joke. ("Good" being up for debate!)

LEAGUE SESSIONS

- Each league session lasts 4 weeks. Session 1 starts Monday, June 17 and ends Sunday, July 14th. Session 2 starts Monday, July 15th and ends Sunday, August 11.

LEAGUE COST

- There are two four-week sessions. One four-week session costs \$85, and the cost is \$140 to do both.

KAHOOT GAMES

- Participants are invited to participate in one 30-minute online Kahoot game per session for bonus points!
- Multiple dates are available to accommodate schedules; Session 1 dates are tentatively set for 7/9 at 7pm or 7/11 at 7pm.
- If Mathwiz leaguers are unable to participate in either Kahoot game, the Kahoot questions will be posted right after the 7/11 time slot. We do our best to award points as fairly as possible.

PLAYER NAMES

- Members will be given (can choose) a "player name" such as 'Pythagoras 345' or 'Mathleticus.' Each week, player results will be posted on a rankings spreadsheet on mathwizleague.com. Thus, if you aren't doing well, nobody will know who you are... unless you reveal your player name.

**WE PLAN TO HAVE STUDENTS IN THE LEAGUE FROM ALL PARTS OF THE COUNTRY,
AS WELL AS SOME INTERNATIONAL STUDENTS!
PRIZES, RAFFIES, AND MATHWIZ LEAGUE MERCHANDISE AVAILABLE!**
